Dennis , Carole , Jude , Eric , Mick , Dave , Irvine , & of course Paul, and club members who regularly help with prep & tidy up .Dennis & Carole & The "Artistry " for literally what they bring to The Club , support & getting into the spirit of it all !!

Thank you to Sarah for editing & putting out all the flyers for the events & her input into the importance of our Members & Membership. Kay for being our date , info & general safety net !!

Thank you for the returned survey's from the AGM they were all very positive & it's nice to know our members are enjoying events put on & unanimously would like favourites to stay & new ones to be mixed in !! I of course embrace any ideas & value all feedback .. I really enjoy being SS it's lovely to see New Members already this year & so far all events have been thoroughly enjoyable.

Tidy Up Weekend was a huge success so fabulous how within hours of a TLC dedication can transform our picnic area & Townsend Room & Access paths to Moorings & The Track all very important. New Club sign is GREAT ..& The Boat has The Club Website on it all visible from The Cut ..

Canal Art Painting .. simply an artistic creativity with massive enjoyment & out n out laughter !! You know who you are !! Massive Club Thank You to Nikki Softley... who also left her fabulous talent on our Club Boat ..

Please forgive the "late" pictures & write up's due to this year's GDPR regulations it means as some of you (Rightly so !!) have the right to indicate use of pictures & names in 3 main areas of our club forums for me that means separate right ups & editing these individually. Some great pictures unfortunately I cannot pass to Sarah for use on our Facebook page or Website .. I also cannot always use your name if you have indicated so. Which means I cannot publicly Thank You but I hope I can blanket Thank You all here..
